MEMBERSHIP MINUTE "WHAT DOES ROTARY MEAN TO ME?"

When I first joined the Rotary Club of Ala Moana, I didn't know what Rotary was about or what I was really committing myself to do. However, I was very excited and proud to become a member of the club founded by Sully Sullivan. Looking back on my two years of membership, I find that several things have really impressed me about Rotary. First and foremost, the honor and privilege of being able to support individuals and groups that are less fortunate than us. I am very proud of our polio eradication support, Harry & Jeanette Weinberg Foundation

projects and supporting high school students with our Interact Club mentoring. I enjoy meeting individuals from various businesses, sharing ideas, socializing and really belonging to my expanded circle of many new friends. I always look forward to our weekly meetings and I especially look forward to our huli huli chicken sale. Getting out in the smoke, heat and just hanging out with fellow Rotarians for the day is just great. Rotary to me is giving back to my community with the help of my friends in the spirit of fellowship and service.

Wally Young

While visiting Rotary Club of Ala Moana on 9-25-03, Larry Lambert, President of Rotary Club of Waikiki, complemented the club on a well-attended meeting. More Rotary work gets done when you have all hands on deck. Kudos to Attendance Chair Wally Young on a job well done.

Wally, a Charter Member of the Rotary Club of Ala Moana has supported the photographic needs of both club and district activities for years. He has been a tireless worker and has served as a classic example of a Rotarian placing service before self. He has been an example worthy of emulation.

The Four-Way Test
Of the things we Think, Say and Do

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build Goodwill and Better Friendships?
4. Will it be Beneficial to all concerned?

IT'S COMING

It will be 2005, less than a year and a half from now, and Rotary will be 100 years old!

Paul Harris would be proud of all the accomplishments we have made in his name, and so should we. After all we contribute to this organization every week through our "Happy Dollars" and other "recognitions."

As you see the first Thursday of every month, the members who have contributed at least \$1000 over their Rotary life to the Rotary Foundation have been awarded the Paul Harris Medallion in recognition of their achievement of being a Paul Harris Fellow. They proudly adorn the Medallion at this specified meeting each month to pay tribute to all the accomplishments of Rotary International and to honor Paul Harris.

We would like to make sure that every Ala Moana Rotary Club member has the opportunity to become a Paul Harris Fellow by the year 2005 to honor Rotary's centennial. Therefore we will be offering matching dollars in the near future for those who have not yet achieved this goal. We will keep you posted.

Beginning October 2nd, the Foundation Committee will be offering a "Rotary Moment" at each meeting to bring the membership up to date on what is happening in the BIG world of Rotary as well as with HRYF (Hawaii Rotary Youth Foundation).

Stay tuned.
