

TIKI WA'HA ROTARY CLUB OF ALA MOANA

Lend a Hand

January 25, 2004

Clayton's Notes:

1. Chinese New Year: President Tony wished the membership a happy Chinese new year. It is now the year of the monkey, and President Tony was full of jokes today. According to Dave Berry, Tony's jokes were much better than the ones he recently heard at other clubs.

2. Sunshine Committee Report: Ethel Ching reported that fellow member, Yoshibumi Ogawa, just had back surgery. He's out of the hospital recuperating at home. A "get well" card was circulated during the meeting.

3. Chicken Sale Fundraiser: The chicken sale is this Saturday starting at 7:30 AM, Central Intermediate School. So sell those chicken tickets and come out to help on Saturday!

4. Past-President, Chris Worrall: Chris Worrall was in the house! Seriously, Chris is nearing the end of his two year tour of duty at the Pacific Command Center – Joint Operations Center, and he will be returning to civilian life, and Rotary meetings, therefollowing. Chris brought a co-worker at the command center to the meeting, Major Mary Ann Hearst. Ironically, Mary Ann is a Rotary International Scholar for Peace. She will be studying in Brisbane, Australia in a student population with many Chinese national students (Mary Ann was also a Chinese mandarin language instructor, and linking the U. S. and China was a large part of her scholarship).

5. District 5000 Lapel Pins: The pins are in and are on sale for \$2.00 US! See Mary Ann Berry for details.

Club Assembly: The remainder of the meeting was dedicated to our club assembly. Rich Courson spoke of current and future planned activities with the Rotary Foundation. Dave Berry spoke about the upcoming Big Band Bash fundraiser.

NEEDED AMBASSADORIAL SCHOLAR

Our club would like to sponsor an Ambassadorial Scholar this year. The award is used to generate cultural awareness and respect for cultural differences. The scholar would spend one year studying in a different country. The scholarship is between \$13,000 and \$25,000 depending on the institution that is attended. The applicant must have completed at least two years of college and be a US citizen. The applicant must be an individual who is willing to dedicate their personal and professional lives to improve the quality of life for others and have a desire to address humanitarian needs.

Ambassadorial Scholars benefit not just from this year long experience, but become a member of a worldwide network of more than 36,000 scholar alumni. Gwenette Higa has details call her at State Farm, 531-9918

The Four-Way Test *Of the things we Think, Say and Do*

1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build Goodwill and Better Friendships?
4. Will it be Beneficial to all concerned?

Glenn and Clayton,
Congratulations on your outstanding job! Glenn for organizing the Ala Moana's effort, doing it the Army way with trumpets etc., and Clayton for firing up our members of our HBA Interact with such enthusiasm that they almost beat us in the amount of kettle contributions.
