Fellow Rotary Club of Ala Moana Members,

Well, today was my first official meeting as OUR club's president, and it was very exciting! I've run weekly meeting before filling in for both Past Presidents Milton and Mary Ann, but this meeting was a little different. When I filled in I knew someone else would be there at the helm the following week instead of me, but this time I have about fifty more nearly consecutive meetings to look forward to, and I really am looking forward to these!

What was particularly gratifying was seeing OUR fellow members hard at work in various areas of our club operation. There was Gwenette touching bases with immediate Past Treasurer Ethan right after today's meeting. Ron was filling in as Greeter, and he did a really great job! Butch introduced our fantastic guest speaker and fellow Rotarian, Bert. Dave B. and Sam got creative with OUR membership recruitment contest, while Mary Ann continued to be active with the operation of our weekly lunch meeting. Steve A. and Craig were strategizing on our next service project, while Ethel and Tony filled their weekly roles as Sunshine Committee and Foundation Committee Chairs, respectively. Stan T. composed a questionnaire to be sent to our members regarding their opinions on various club functions. Earl baked the bread as he has done each week for a very long time. OUR club "marshals" Richard and Steve V. were keeping us all in line and moving forward as well as getting creative with our weekly meeting program. Mike and Tomoko Malaghan are working hard to pick up the reigns as Tiki Wa'ha editors. Milton continues to work on our club website from behind the scenes, and George I. faithfully serves as OUR club photographer. There are many other members not mentioned herein doing their part for our club as well, and those listed are merely illustrations of what we all are collectively doing, what we ALL should be doing! In sum, our members are ALL active working for OUR club, and this was particularly heart-warming to me. I mentioned during the opening of today's meeting that we are the BEST Rotary Club, anywhere. The reason I feel this way is because of what I saw today – OUR

members are ALL the BEST people giving their BEST efforts both individually and collectively for OUR club.

I also mentioned “tradition” during our meeting today, and OUR club is very rich in tradition. We will continue the great “traditions” that we have always done (eg., inspirational thought of the day), and we will also resurrect some of the great “traditions of yesteryear” that we used to do but perhaps fell by the wayside as of late. For example, the greeter, the 4-Way Test, and the like, timeless “traditions” that we will revisit this Rotary Year.

So let’s keep a good thing going – Let’s continue to work hard, work together as a team, and give our individual BEST for the betterment of our club. And we should not forget the unofficial fifth part of the 4-Way Test – We absolutely have to have fun! Thanks again for a wonderful start to the 2006-2007 Rotary Year. Let’s “lead the way” and show everyone why we are the BEST!

Yours in Service,

Clayton J. Wong, P. E., S. E.
Club President 2006-2007

P. S. I’ll try to write you all periodically. Hope you don’t mind!

P. S. S. “Neither fire nor wind, birth nor death can erase our good deeds.” Buddha

NEWS EDITORS MAKE LANDMARK ADVANCES IN HUMILITY

Tomoko and I are pleased to pitch in with the producing a humble edition of Tike Wa’ha. After the amazing professional production of Clayton and Lien, our version will be a come down. We will do our best to get the basic info out on a timely basis and would hope that experience will gradually make the format a bit more pleasing to look at. When a more tech savvy or Photo Shop aficionado is inspired to replace us we will not hesitate to take a gracious exit.

We are pleased to produce this newsletter because it guarantees we will stay in touch during the half of the year we do not reside in Honolulu.

Please email any photos you have. Tomoko will see that they will be included in the photo section ... something that is missing this week. Chairpersons please use Microsoft Word when sending reports so I can include in our newsletter without too much reformatting.

MARK YOU CALENDER

Thank you Mary Ann for the calendar update --- all chairpersons are invited to email me 'upcoming attractions' to be included in the MARK YOUR CALENDER page.

1. July 13 meeting is the District Governor's official Club visit. DG Jim Varner will tell us his plan for the year and what his expectations will be.
2. Another Club picnic is scheduled for Saturday, September 23, at Bellow Air Station (same place as last year). Possibly, the HBA Interact Club can also attend.
3. On Saturday, October 14, there will be luncheon at the Hale Koa Hotel to celebrate the 30th anniversary of the Hawaii Rotary Youth Foundation. We have a sign up sheet at each meeting so that our Club members can go as a group. Cost is \$30.

Mary Ann will be sending out your requirements to all committee chairs soon.

The officers and committee chairs for Clayton's term are:

VP -- Sue Ann Lee

Secy -- Rich Courson

Treas -- Gwenette Higa

Sgts-at-Arms -- Richard Kagehiro and Steve Voigt

Above are listed the teams for the ALA MOANA ROTARY MEMBERSHIP DERBY

A race course with eight horses will be displayed at each week's meeting. Each team has a horse that will move forward based on attaining certain membership derby goals. The team that is ahead at the end of the year will receive a prize.

Horses advance in the following way:

A - 1/2 space if your team brings a potential member for a first time visit.

B - One full space if your team has a new member inducted.

C- 1/2 space bonus if your team brings in a potential new member for the first time whose classification is one of the "categories of the week."

If your team brings in a new member, he/she automatically become a member of your team for the remainder of the year.

Have some fun. Get together with your team and plan a strategy. Name your horse. Come up with your team colors so that your horse can be easily identified.

Bonus points for bringing in a potential member in one of the following classifications on the date specified.
