## **CLUB MEETING MAKE UP'S**

**by RICH COURSON**

Please be aware that not all clubs are consistent about sending us information about YOUR make-up at their club.

It is YOUR responsibility to inform the Club Secretary of any and all make ups that you wish to have counted on your behalf.

**This is not a difficult thing to do.** In our club, at this time, all you have to do is let the Secretary (Rich Courson) know that you made up a meeting. This can be done in writing (a make up note from the other club, an email message to [rccdds@hawaii.rr.com](mailto:rccdds@hawaii.rr.com) , or a handwritten note handed to Rich at a meeting) or even by verbally telling Rich that you made up when you see his smiling face at any meeting. That is all you have to do. The 4 Way Test is in effect.

Just do it, so that Rich does not have to “guess” who had perfect attendance at the end of the year.

*Shared joy is double joy, and shared sorrow is half-sorrow.* SWEDISH PROVERB

## **MEMBERSHIP DIVERSITY**

**From RICH COURSON**

Rotary International gives us guidelines to live by and one of those is in regards to Membership Diversity.

According to the guidelines: “The RI Board strongly recommends that clubs have a diverse membership that reflects the entire business and professional life of the community, with no more than **10 percent** of the classifications in a related field represented within the club.”

This is why our members are being encouraged to look for new members that may have a Classification which we do not already have in our club. Each week we are giving you a list of different Classifications from which to bring a guest for additional points in our “horse race.”

As we continue to grow our club, please consider this issue when you invite prospective new members. It will give us all an opportunity to meet people in all different walks of life. After all, isn't this the essence of ROTARY?

Please note the current list of our clubs Membership Classifications.

**dues of \$100.00. Reports on activities are presented and discussed. The slate of new Officers and Trustees are presented along with the appropriation of funds for scholarships to be awarded in the fall of the year in which the meeting is held.**

**Officers of HRYF include the following who are all Trustees: Chairman of the Board, Vice Chairman, President, Five Vice Presidents, Secretary and Treasurer. Five Past District Governor Trustees are also elected along with Five At-Large-Trustees-one from each of the islands of Hawaii, Maui, Kauai and two from Oahu.**

**The first scholarship was granted in 1977 and since then through April 5, 2006, we have awarded 1,121 scholarships with a total value of \$479,263. This year 96 scholars received a total of \$302,500. In memory of “Sully”, who passed away on February 28, 1998, we have established a Maurice J. Sullivan Scholar Award. Each year one outstanding student will receive a scholarship grant in the amount of \$8,000.**

**Scholarship awards have ranged from \$2,000 to \$5,000 and may be used for educational expenses such as tuition, fees, books, supplies and related educational equipment. Awards are \$5,000 for students attending mainland colleges or universities: \$2,000 for students attending a college or university in Hawaii. These scholarships are non-transferable, one-time grants that need not be repaid.**

**HRYP programs are financed by contributions from Rotarians, Rotary Clubs, individuals and various foundations. HRYF has a permanent endowment fund which is managed by a professional investment firm. Funds from investment income provide for scholarship purposes. In July 1994, The Harry & Jeanette Weinberg Foundation favored HRYF with an endowment grant of \$1,000,000 with which to expand our scholarship program. The principal amount of our endowment fund and the Weinberg gift are not available to fund our scholarships. This assures us of having funds available for future awards and the preservation of the principal. Only earnings from these sources may be used to fund scholarships.**

**Donations can be made through your Rotary Club representative or directly to HRYF, 3536 Harding Avenue, Room 600, Honolulu, HI 96816.**

**HRYP maintains an office on the sixth floor of the Foodland Building in Kaimuki. The only paid individual is a part-time executive secretary. Phone/Fax 735-1073, email address [hryf@hawaii.rr.com](mailto:hryf@hawaii.rr.com).**

## **HISTORY OF THE HAWAII ROTARY YOUTH FOUNDATION**

**By TONY SANDI & STAN TOGIKAWA**

**The Hawaii Rotary Youth Foundation, (HRYF) was founded by Maurice J. "Sully" Sullivan during his year as Rotary's District Governor in Hawaii, 1976-77. It was Sully's desire to assist Hawaii's high school graduates realize their potential by attending a college of their choice here in Hawaii, or on the mainland United States. He felt that HRYF could be the vehicle to teach our young people about the advantages of the free enterprise system, the basis of our democracy.**

**The Foundation was incorporated in the State of Hawaii as a non-profit on September 3, 1976, with "Sully" as its president until July 1, 1986, when he assumed the position of Chairman of the Board of Trustees. Since then, five others have served as President. Included in this number are three Past District Governors.**

**The activities of the Foundation are guided by the Charter of Incorporation and a set of By-Laws. A membership meeting is convened in the second quarter of each calendar year with club representatives, officers and trustees in attendance. Each club in the District may send a representative to the membership meeting after having paid annual**

# **HELP!**

Fellow Rotarian, I'm updating our club history, and found that I'm missing a few pieces of information.

1. Who was awarded the Spirit Award in 2004-2005, under President Milton?
2. In 2004-2005, New Generations won the Best Committee award. Who was the chair and who were the committee members?
3. In 2005-2006, Club Service won the Best Committee award. Who was the chair and who were the committee members?

**IF YOU HAVE THE ANSWER, LET ME KNOW.**

Tony

Here's the August 24<sup>th</sup> update on our Membership Race

Team # 1 are	“Equinwonders”	
Team # 2 are	“Seabiscuit Also”	Still in the LEAD!! (8 lengths on the track)
Team#..3.are...	“Threemendous”	
Team # 4 are	“Foursure”	
Team # 5 are	“Hawaii 5-0”	Out of the gate (2 lengths on the track)
Team # 6 are	“Six Pack”	
Team # 7 are	“7 <sup>th</sup> Heaven”	Out of the gate (3 lengths on the track)
Team # 8 are	“8 <sup>th</sup> Best”	

The Bonus categories generated points at our August 24<sup>th</sup> meeting, with both David Arita bringing an entertainer guest named “Earl” and Mark Gurney bringing our great guest speaker and “entertainment guru” Tom Moffatt. David is keeping “Seabiscuit Also” in the lead, but “Hawaii 5-0” is on the move! The Bonus categories for the August 31 meeting are Food Products, Fundraiser, Furniture Sales and Gift Shops. If you bring a guest and their first or last name start with an F or G, you can also earn a bonus for your team! Now if you can find someone from a Food Products, Fundraiser, Furniture Sales and Gift Shops and their name begins with an F or G, you've got a chance to pass Team # 2, Seabiscuit Also!!

Equinwonders, Threemendous, Foursure, Six Pack and 8<sup>th</sup> Best are all still in pathetic positions of “still in the gate”. Let's get going!
