What Paul Harris Said from Dave

November 19th 2006

Rotary's supreme purpose is to serve; never (has) service (been) more appropriate than on the present occasion. How and where we shall serve remains for you to determine. May wisdom characterize your deliberations!

"Individual effort when well directed can accomplish much, but the greatest good must necessarily come from the combined efforts of many men. Individual effort may be turned to individual needs, but combined effort should be dedicated to the service of mankind. The power of combined effort knows no limitation. This superlative power no man may appropriate to his own use. This is the world's sub-conscious conclusion. We must clearly understand the justice of it and measure up to its requirements.

[Paul P Harris'](#) message to the [Atlanta Convention 1917](#)

The 'present occasion' Paul Harris was referring to in 1917 was, of course, the First World War. Yet his sentiment is still so apt today – never has service been more appropriate than on the present occasion. I shall let the reader decide which 'present occasion' she or he would refer us to today – perhaps a continuing violent conflict or a world health problem. Whatever the occasion, Rotary remains to serve.

At the same Atlanta convention, RI President [Arch Klumph](#) would announce his idea of an endowment fund – today it's better known as [Our Foundation](#). Yet, little known to Paul Harris or Arch Klumph at the time, this endowment fund would realize Paul's prophetic observation. ***The power of combined effort knows no limitation*** – that's the secret of our Foundation's success.

What Paul Harris Said from Dave as part of Double Edition of the Tiki Waha

November 26th 2006

"Rotary is good for you, my friends. To the ill, it says, "Take up thy bed and walk." Rotary prolongs the life of hundreds of thousands of men; Rotary makes for health and happiness."

[Paul P Harris](#) message to the [1946 Convention, Atlantic City](#)

There is nothing so frightening in this world than Weapons of Mass Destruction. I'm not talking about bombs and guns but those things that cause real mass destruction to human life -Hunger, Poverty and destructive diseases such as HIV/Aids. Such weapons will not make the front pages of the newspapers yet they destroy more human lives each day or month or year than any war or conflict.

November is Rotary Foundation month. It's Mission or *What We Do* is—
Improving Health, Supporting Education and Alleviating Poverty.

Rotarians through their Rotary Foundation can and will continue their fight against weapons of mass destruction -Every Rotarian, Every Year - by contributing to The Rotary Foundation.
