A Rotary Moment from Tony Wong: More on New Orleans

Every year they have a New Orleans Jazz and Heritage Festival. Despite Katrina, two Rotary clubs in Louisiana sold bottled water, soft drinks, and beer to the 300,000 people attending the festival. They raised \$31,000 for local charities.

HONORING COMMUNITY LEADERS

I would like to start a tradition of annually honoring a non-Rotarian who has made significant contributions to our community with a Paul Harris Fellowship award. This can be done at no cost to our Club and I think it will be a big plus for our standing in the community.

I would like to have the award given during the official visit of our incoming District Governor. He will visit our Club sometime in early August.

If you know of anyone who you feel would be worthy of this award please let Tim Morita, Community Service Chair for 2007-08 know. I would like to make the selection by the end of June so that we have ample time to order the medal and certificate.

President Elect

What Paul Harris Said February 25 2007

We celebrate February 23, 1905, as the birthday of Rotary. With equal propriety we might celebrate the date of the renaissance. What would there have been to celebrate in Chicago today had it not been for the new birth, the renaissance. By its virtue friendly men and women of many nations have been gathered together in Chicago in the spirit of "Peace on earth, good will toward all men."

[Paul P Harris address to the RI Convention, Chicago 1930](#)

As of this Friday, the Rotary "Renaissance" is officially 102 years old.

We can infer from these words that Paul Harris saw his Rotary idea as a simple reaffirmation of some ancient beliefs – Peace on Earth and goodwill to all its inhabitants. The wonderful event of 102 years ago was a wake-up call to all the peoples of the world.

Harris never ever claimed the idea of a "Club" was unique. In various places around the world, at different times, similar organizations had appeared. For more – click on the link - <http://www.rotaryfirst100.org/historians/lewis/forerunners.htm>
<<http://www.rotaryfirst100.org/historians/lewis/forerunners.htm>>

The main difference between Harris' club and other forerunner clubs was that Harris' Rotary Club was the one with the strongest foundation of universal, sound and rational principles - capable of lasting over time and renewing itself.

It is highly significant to learn this week that The Rotary Foundation has been short-listed for the prestigious Nobel Peace prize. Even today, the same beliefs that four men once shared in a Chicago office, that transcended country and continent, is as relevant and recognised as such.

Craig Yoshikawa and Clayton Wong both gained a full length for their teams by bringing new guests, Rab Guild and Lawrence Pi. They also earned bonus half spaces since Rab had taken a sightseeing tour and Lawrence's car had been towed in the past. Clayton's guest Jeffrey Ling also made his fifth visit, so hopefully we'll be welcoming him into the club soon. At our March 1st meeting, you can earn a bonus for your team by bringing someone as your guest who is from the classification of Transportation, Tree Service, Trucking, Tutoring and Tuxedo Rental. If your guest's first or last name starts with a T, you can also earn another bonus ½ space for your team!

Information and Inspiration

Keynote Speakers

William H. Gates, Sr.

Co-chair of the Bill & Melinda Gates Foundation

“I hope you learn to look beyond tomorrow, next week, and next year. I hope you ask yourself what you can do over the 50 years of your working lives to make the problems that plague our world a little bit better...My son, the other Bill Gates, and his wife, Melinda, started their foundation because they believe what you believe: that every life has equal value—that every person, no matter where he or she lives, deserves the opportunity to lead a healthy, productive life. They also know they’ve been extremely fortunate, and they feel a responsibility to share that good fortune.”

Hyrum W. Smith

Rotarian, author, Co-Founder of Franklin Covey
and creator of the Franklin Planner

So the message I would ask you to consider is really wrapped up in the title of this book: Pain is Inevitable, Misery is Optional. The fact is we are not going to get through [life] without pain. I have come to feel that one of the major reasons for being here is to come to deal with and learn from pain. How we choose to deal with it is perhaps the ultimate measure of who we are, and in my life’s experiences, I am frequently reminded of my father’s words before he died: ‘The sorrows will far outnumber the joys but the joys will far outweigh the sorrows.’”

Francis Moloji

South African High Commissioner to India
and former Rotary Foundation Ambassadorial Scholar.

“Mahatama Gandhi’s values of truth, non-violence, reconciliation and peace are perennial...Elements of a successful peace process include steadfast commitment to open dialogue, and to reach an agreement albeit imperfect with no outside interference or involvement with legitimate means...to support it.”

Jenny Horton

Rotarian, former Rotary Exchange Student,
and World Health Organization Consultant in Pakistan
for the Global Polio Eradication Initiative

“Polio eradication has taken over my life, and at all costs I wanted to be in the field working toward our goal of a polio-free world. The pain I felt in seeing someone affected by polio was a driving force for me...This is all because of Rotary, and it all began with Youth Exchange.”
