

Aloha,

It is an honor for me to serve as President of the Rotary Club of Ala Moana as we head into our thirty sixth year of "Service Above Self".

Our Club is very proud of its friendly reputation, and we welcome any visitors to our islands to come and join us at one of our weekly meetings.

Since the inception of the Hawaii Rotary Youth Foundation, the Rotary Club of Ala Moana has been the pace setter in supporting this outstanding scholarship program that was started by one of our members, Maurice "Sully" Sullivan, thirty years ago, and we expect to continue that. We have "adopted" Lunalilo Elementary School, as well as the Pahole Nursery for Rare and Endangered Plants, and we will be continuing our support of both of these worthy projects.

Our goals for the year include a meaningful international project, a vocational program with a local high school, support of the District dictionary program, the continuation of our "Santa Clothes" project, as well as many other community projects.

Ala Moana Rotary will also hold another crab fest as our main fund raiser to provide funds for the local and international projects that we have planned. In addition, funds will also go toward scholarships for the culinary arts department at Kapiolani Community College.

We will continue to "have fun" in Rotary, enjoy our fellow members' friendships, serve our community, and show the world that "Rotary Shares". I have asked all our members to remember that "If we all do what we can, We can do it all."

Dave Berry
President 2007=08
